

Warm greeting to you in the **NAME** of our **BLESSED LORD JESUS CHRIST**. As I said before, "it is my prayer during these challenging days that it is **WELL WITH YOUR SOUL**." We must pray & battle for **HIS GLORY** & resist the wicked currents & godless tides of our days. The best way to do that is to have our **JESUS CHRIST** be the anchor for any storms of life.

September had me in the War Zone where satan has taken **TOO** many captive (Mk. 9:25, 26). In 18 services, over 350 prayed the Salvation Prayer or rededicated their lives to the **LORD**, (John 6:44). Also worked in a star role in "Shaolin Fighters." It was a fruitful & busy month.

I haven't used the walker in a month & only use my cane outside. Dr. Kim said that my healing in the fractured femur area is perfect. **GOD** is good! My Omega Man Internet show was another 2 anointed & blessed hours led by my dear friend & brother in the **LORD**, Shannon Davis. Go to my website & at the archives, you can listen to many past shows.

The L. A. County Jail 3 services were a blessing to me. Revival is still happening! 93-100% are coming to **CHRIST**. On Tuesday & Wednesday, Sept. 6-7th, I also walked the tiers in the High Power-Super Max & led 6 to the **LORD**. That is a miracle! Most are facing life without parole.

On Saturday, September 3rd, I was a guest star on Suspense Theatre, which was a joy to do. Check out my Facebook post, it will tell when you can listen. Afterwards, I attended the anniversary of Pastor Lea Ann's "Gathering Place." Pat Boone was wonderful as her guest speaker. He is a blessed Brother in the **LORD**.

I was also a guest on "Hollywood Review" hosted by Tony Boldi, who is an excellent host.

My 2 Bible Studies were well attended, including some new ones who came. Four completed Jews for **CHRIST** attend. That is awesome! All of the Skid Row services at the Fred Jordan & Union Rescue were well attended. Many needed prayer & hope.

My Pelican Bay trip, that I was to do in September, had to be cancelled because of potential blood clots. My dear friend & Brother in **CHRIST**, Lou Goodgame, set me up for next June. Blood clots are no joke. I also could **NOT** fly to North Carolina to do a movie with star billing. The MD said, "Oh, you can go, but you could die from blood clots." This to shall pass.

During counseling sessions, so many are facing overwhelming tasks, burdens, battles & challenges. This is also true for Skid Row & prisons. Some think that **GOD** has called them to endure things that are too hard to handle. I asked them if they feel **GOD'S** presence with them. I hope & pray they all do. Along with you who are reading this. His presence is **REAL** & needed.

I, and scores of others that I know, have encountered all manner of conflicts, difficulties & seemingly insurmountable obstacles. In all of us, knowing **GOD** is near, loving, defending, protecting & providing is what keeps us grounded (Phil. 4:19). **HE** is near us! (Heb. 13:5; Matt. 28:20, Deut. 31:6). There have been times while studying **GOD'S WORD** & thinking of **GOD'S** faithfulness (I John 1:9; Heb. 10:23; I Cor. 1:9; II Cor. 1:18) when suddenly I'm aware of **HIS** awesome presence and am filled with emotion, sometimes weeping. **HE** doesn't say anything — **HE** simply makes **HIMSELF** known so that I can understand that **HE** loves me enough to manifest **HIS** incredible power, wisdom & authority in my behalf.

It must have been difficult for the disciples to hear **CHRIST'S** great **COMMISSION** for them: "Go therefore & make disciples of all nations, baptizing them in the name of the Father, & the Son & the Holy Spirit, teaching them to observe all that I commanded you," (Matt. 28:19, 20). They thought, "It's impossible." Nothing is impossible to **GOD**, (Luke 1:37).

Our **LORD'S** presence was with them 24/7 (Matt. 28:20). That's a promise (II Cor. 1:20). **HE** was present with them & is with every believer. That was just as it is today. This is because as believers, **HE** inspires, energizes, enables & consoles us in very special ways, no matter what we are called to do or what challenges we must face.

So, what weighs heavily on your heart today? Has the **LORD** called you to do something in **HIS** name for **HIS** glory? Are you facing health, relational or financial difficulties? Is there something that is too difficult for you to handle — a task that makes you wonder if you can battle thru it? It is important to **GOD** that you recognize **HE** is with you. **HE** will do for us what we cannot do ourselves.

FIRST: When we experience the **LORD'S** presence, **HE** inspires us to join **HIM** in **HIS** divine purposes.

SECOND: When we encounter the Father & realize **HE** is absolutely **HOLY**, omnipotent (all powerful), omnipresent (with us), omniscient (all knowing), omnibenevolent (unconditional **LOVE**).

THIRD: The **FATHER'S** presence enables us to accomplish extraordinary things (Phil. 4:13).

FOURTH: When we experience the **FATHER'S** presence, **HE** counsels us with **HIS** perspective regarding our circumstances (Ps. 32:8; Prov. 3:5, 6). Dear friend, no matter what new trouble you encounter today, I ask you to surrender your life to the **LORD** and watch what **HE** will do. He will make **HIMSELF** known to you in powerful ways that fit your life perfectly (Romans 10:9; Acts 16:31; II Peter 3:9; Acts 4:12).

Until next month, may God bless you, & to you who sent love offerings, a 100-fold blessing.

In **HIS** Majesty's Service,

TESTIMONY OF JANET & LEROY

Last week at Northwood's Bible Church, my friend, Chris asked for prayer. She was weeping and could barely talk — so distraught with heaviness. It was hard to know what was wrong, but it was not good. She and her husband, Andy, have a large Mennonite family and work hard at farming. They always came to church, but Andy was not there — not a good sign.

I slipped a folded copy of the Arsenal prayer into her hand and told her to read it when she was able. Oh my goodness! God moved mightily! This Sunday, Andy was in church. Chris told LeRoy how the Arsenal prayer turned everything around for her and her husband! She told Lee, it was exactly what she needed and it confirmed what the Lord had been showing her. Praying it had lifted the heavy burdens that she was carrying! It helped Chris **SO MUCH!** She wrote it out by hand and mailed it to 2 people, who were also having marriage and financial problems! Yeah! Yeah! Later, when I saw Chris, she told me how **REAL** the spiritual battle is. She was a different person than the week before. Yeah! Breakthrough! Yes! Chris and Andy are central figures in this small Northwood's Bible Church. God will use this. I have no doubt. Even though, Chris and Andy still dress "plain" (Amish like), they left the Mennonite church. They listen to radio while they milk cows. Doesn't matter that it is a Christian station — radios are not allowed if you are a Mennonite. I told her the Arsenal prayer was from our friend, Pastor Mel Novak, in L.A., and that I would let you know about her. So you have another touchdown!

I am now in the 5th week of praying the Arsenal prayer 2 times a day. This is my 3rd time and I'm planning to go longer than 7 weeks, this time, with God's help. I have so many other praises, I can't write them all. But I'll share these now or the Rocks will cry out! LeRoy and I are spending more time together in God's word. Yeah! The Lord is bringing people to us to minister to. Yeah! I testified at my aunt's funeral. Yeah! Lee's son, Nick is now serving in a strong church. Yeah! Our son, Dan is reaching out more. He called a Christian friend for prayer. Yeah! Susan is stepping up to pray with people (a lady in the grocery store). Yeah! The lumberjack we hired gave us a fair price and then shared his testimony! The Lord saved him from cheating on his wife! LeRoy gave him a NT for his daughter. Yeah!

Thank you, God! Thank you, God! Thank you, God!

God is not unrighteous to forget your work and labor of love, which you have shown toward his name, in that you have ministered to the saints, and do minister (Heb:6:10).

Thank you, Pastor Mel.
