

Greetings in the **MIGHTY** name of the **BLESSED SAVIOR**, our **LORD JESUS CHRIST**. **HE** is the **LORD of GLORY**, who is preparing a home for each believer in Heaven. With pure joy, let us bow our knees in **PRAISE & WORSHIP**, humbling our hearts before **HIM**. **HE & HE** alone is worthy. Only thru **JESUS** (Acts 4:12) can we have the **HOPE** of Eternal **LIFE**.

October was another month of battling forces of darkness for souls. It was a down month as 250 plus prayed the Salvation Prayer. I must press on to win souls as time is short, **END** times. If you don't believe it, read Matthew 24, Luke 21 & Mark 13. Then see what is happening in the world with all the evil, on CNN & newspapers. These are days of Noah.

The services at the Skid Row Missions all had good attendance but light harvests of souls. Each message was encouraging, edifying & uplifting — **BUT**, it is always a choice. **JESUS** asked a man crippled for 38 years a question in John Chapter 5, "Do you want to be healed?" I see too many in my ministry who choose not to be healed & delivered. Sad choice!

My service at the ELA Juvenile Div. as always is difficult. There are 10-17 year old boys & girls at the service that are in the penal system now. There were 52 out of 72 who prayed the Salvation Prayer. Our family structure in our wonderful country is at low ebb. The choice drug for teens is Heroin which is deadly.

L.A. Co. Jail services had low attendances in each service but 97% prayed the Salvation Prayer. In the High Power-Super Max tiers, **GOD** moved mightily. One of the days, I led 6 to **CHRIST**. That was a **MIRACLE**. These guys are facing life without parole & some, the death penalty. Then at another section where it is so restricted, only the watch commander can allow me in, another 3 came into **HIS** Kingdom. **GOD** is awesome.

My 2-hour Bible Studies usually have 20 + attend & always a good time in the **LORD**. My twice a month 2-hour Omega Man Internet show with Host Shannon Ray Davis have been anointed & powerful, going to 167 countries. Thousands have come to **CHRIST** in 63 shows that I have done.

I baptized two sisters in **CHRIST** on a Saturday. The Artists for Trauma had me as a guest celebrity. It was a blessed time, meeting so many in wheel chairs. Precious people! Did you know 1 out of 3 people will either directly or indirectly be affected by **TRAUMA**? A **TRAUMA** occurs in this country every 4 seconds. There are 2 million people living with limb loss in the United States. Every 15 seconds someone sustains a brain injury in the US. Every 5 minutes, one of those people will die & another will become permanently disabled. Accidents account for ¾ of the spinal cord injury related paralysis in the US.

So, my question is: Do you **PRAISE GOD** that you can see, walk, talk, hear & have full use of your bodily functions? **DO NOT TAKE THESE FOR GRANTED!**

During my ministry & counseling, I find too many saying, "I have no one to talk to, no one to share my burden with, & no one who has time to hear my cry. I need someone I can pour my heart out to." King David was surrounded by people. **HE** was married & had many companions at his side. Yet we hear the same cry from him, "To whom shall I go?" It is in our very nature to want another human being, with a face, eyes & ears to listen to us & to advise us. When Job became overwhelmed by his trials, he cried out with grief, "Oh that one would hear me!" (Job 31:35). He uttered this cry while sitting before his so-called friends. Those friends had no sympathy for his troubles; in fact, they were messengers of despair. Job turned only to the **LORD**, "Behold, my witness is in Heaven & my record is on high...My eyes pour out tears unto God!" (Job. 16:19, 20).

David urged **GOD'S** people to do likewise, "Trust in **HIM** at all times; you people, pour out your heart before **HIM**, **GOD** is a refuge for us." (Ps. 62:8). David also wrote in Ps. 142:1-5: "I cried unto the **LORD** with my voice; with my voice unto the **LORD** did I make my supplication. I poured out my complaint before **HIM**; I showed **HIM** my trouble. When my spirit was overwhelmed within me, then you knew my path. In the way I walked, they laid a snare for me. I looked on my right hand & behold, but there was no man that would know me; refuge failed me; no man cared for my soul. I cried unto **YOU, O LORD**; I said, **YOU** are my refuge & my portion in the land of the living."

I believe in my heart that this is an invitation to you from the **HOLY SPIRIT** to find a private place where you can frequently pour out your soul to the **LORD**. David "poured out his complaint," & so can you. You can speak to **JESUS** about everything, your problems, your present trial, your health, & your finances — & tell **HIM** how overwhelmed you are. **HE** will hear you with **LOVE & SYMPATHY & HE** will **NOT** despise your cry. (Ps. 30:2; Ps. 107:6, 13, 19, 28; Ps. 34:4, 6, 15-19).

In Ps. 56:8, **GOD** counts our teardrops & puts them in a bottle. How precious that is! **GOD** answered David. **GOD** answered Job. For centuries **HE** has answered the heart cry of everyone who has trusted **HIS** promises (II Cor. 1:20; Nahum 1:7; Ps. 91:2; Prov. 3:5, 6). **HE** has promised to hear you & guide you (Ps. 32:8). **HE** has pledged by oath to be your strength (Phil. 4:13), so you can go to **HIM** & come out renewed (Romans 12:1, 2).

Until next month, may **GOD** bless you & to you who sent love offerings, a 100-fold blessing.

TESTIMONY OF AMY

I was working in production on a film with Mel and was very troubled because my husband, a producer on the film, was being treated poorly by one of the executive producers. One of the scenes was in a church where Mel and I ended up sitting near each other. Mel asked if he could pray with me. I was fine with this, but being from a Jewish background and raised by an alternative mother who explained life with "The Universe" and "The Stars," I took it half-heartedly. Later that night, I went to Mel's room to have him sign the contract paperwork and we discussed what was going on with my husband. He offered to pray for us with me and I agreed. I wanted to try anything I could to help my man. First, Mel did the sinner's prayer with me to help me with my personal, depressive troubles. Then Mel prayed that my husband would overcome his difficulties and the executive producer would see how valuable he was. I felt powerful chills rush through my entire body and everything Mel prayed for my husband ended up happening!

However, for a whole year after that I continued the path of sin, depression and addicted to pharmaceutical drugs, an addiction I had been battling for over 12 years. Eventually, I started wondering, "How is this going to end?" I miraculously started developing new friendships with people who happened to be followers of Christ. After 3 days of not sleeping, and too many pills in my body, I found myself on a motel room floor at 3:00am communicating with God through a Gideon Bible. The result of this supernatural conversation was me saying the sinner's prayer with commitment, calling a 1-800 prayer hotline, receiving protection from temptation and strength during withdrawal, sending messages to Mel and other believers, attending Bible study and church, getting baptized, and developing a relationship with God that gave me a newfound life.

At Mel's Bible study I was surrounded by caring people who were excited to pray with me, share stories and teach. I began gaining a deeper understanding of the Lord, God's Word, and defending against Satan. I do the arsenal prayer every morning. My baptism shed a new light on my life that has allowed me to walk with greater peace, feel closer to the Lord, and inspire and help others in a heightened way.

I have been happily sober for 3 months now and amazed at the amount of power, love, and joy that comes from knowing, obeying, and loving God. Thank you Mel for being an instrumental part of my journey to a better life.
