

Warm greetings in the name of our soon coming **KING, JESUS CHRIST**. That glorious day is coming (Titus 2:13; Matt. 24; Luke 21; Mark 13). In the mean-time serve in some capacity, (Matt. 20:28; Mark 10:45).

There is no greater calling than to serve. With the world gone crazy...descending into perversion and wickedness. Now is the time to take up your cross **DAILY**, (Luke 9:23). Psalm 32:8 will guide you.

February was better than December, which was the worst December in my life. Even though I struggled with brutal pain, the **LORD** was with me, (Heb. 13:5; Matt. 28:20; Deut. 31:6). Bottom line, if anyone is in a ministry in the devil's territory, like I am, winning souls, they will be under heavy attack, (Ps. 34:19).

I had 19 stem cell injections on February 7th and I'll have more on March 4th. I have to get better. There are more souls to be won in prisons, Skid Row and where ever I go. No matter what attacks from the devil, pain, heartache and heartbreak, the devil **CANNOT** get the souls back, (I Cor. 3:15). It is **NOT** if you will have adversities or calamities, it is when...and how hard will you be hit.

In the **OLD** Testament, think about the conditions that confronted Ruth the Moabite. Her husband, a Hebrew who had migrated to nearby Moab during a time of famine, died. Rather than stay in her homeland, she chose to return with her mother-in-law, Naomi, to the strange land of Judah. Forced to glean grain for her food supply, she found favor with Boaz, a distant relative of her mother-in-law's deceased husband. Boaz eventually took Ruth as his wife, and she bore Obed, David's grandfather.

GOD used famine, death, poverty and an unlikely marriage as **HIS** instrument of providence. **GOD** can use your circumstance, situation and condition for good as well, (Romans 8:28). My life is woven around Romans 8:28. Be assured that **GOD** is in control of our times of testing, (Prov. 17:3; Jer. 17:10).

Joseph was rejected, abandoned and betrayed by his own brothers, enslaved to an Egyptian Master. Then betrayed again by his owner's wife. Even though Joseph did **NOTHING** wrong, he spent many years in prison before his release and eventual rise to second in command of the entire nation.

GOD governed the span and severity of his adversity, only allowing what **HIS** sovereign, loving will permitted.

In the end, Joseph could say to his scheming brothers! "You meant evil against me, but **GOD** meant it for good in order to bring about this present result, to preserve many people alive," (Gen. 50:20).

GOD permits and controls our seasons of testing and will never give us more than we can handle. Look at my favorite disciple next to **JESUS**, Paul. Adversity builds character. It also taught me to "**NEVER GIVE UP**," (Luke 18:1; Jeremiah 32:17, 27; Luke 1:37). All in **JESUS** name, (Phil. 2:9-11).

The Omega Man Internet shows (2) were powerful and anointed. You can listen at www.mixir.com/Omegamanradio. They were 2 hours of the **WORD**. Spent a lot of hours praying for and counseling others. I'll go to Chino Women's Prison, L.A. Co, Pelican Bay Penitentiary and others down the road.

The services at the Fred Jordan Mission have blessed me. The people were happy to see me and many were praying for me. Touched my heart. The Chapel services were packed with nice harvests. The **HOLY SPIRIT** draws them, (John 6:44).

I was asked, "Mel, what does **GOD** most require of you? You have done many movies, received awards and served the **LORD** over 36 years. Is it **LOVE**? Obedience? Worship? I told her all of those, yes, but first is **HUMILITY**! To me it means putting **OTHERS FIRST**. Humility is strength, **NOT** weakness.

The definition is simple, the action difficult. I, me and my is the **UNHOLY TRINITY**. My **LORD JESUS'** life was the ultimate example of **HUMILITY**. **HE** even died on the cross for you and me, the most shameful death possible in **HIS** day. The truth is that **GOD** is more interested in my **HUMILITY** than any of my accomplishments... is what I told her. Even our spiritual life depends on **HUMILITY**, for if we do **NOT** surrender our will, **JESUS** cannot be **LORD** of our life.

The opposite of **HUMILITY** is pride. Scripture tells us **GOD** detests pride (Jas. 4:6; I Peter 5:5). In fact, Prov. 16:5 calls it, "An abomination to the **LORD**." When we are proud, we are defying the sovereignty of **GOD** by exalting ourselves above **HIM!**

Beloved, in the months to come, I urge you to follow the call of I Peter 5:6. Underline this in your Bible. **GOD** loves you so much, (Jer. 31:3).

Until next month, **LORD** bless you. To you who sent **LOVE** offerings, **THANK YOU!!!**

TESTIMONY OF JACQUELINE

I have been through so much, medically, from bed-ridden Disco Lupus, 18 months and dying, on my way to Hell. I should have died 3 other times.

The Holy Spirit directed my sister Chandler, to my house to rebuke death off me. The third time she spoke over me, the Holy Spirit told her to say, "in the name of Jesus, I command this spirit of death to leave...now." I sat up. That was in the early 1992, and not only did I not die, but I was healed, PTL.

The Enemy of mine and all believers tried to wipe me out...Hallelujah, but he has no authority over believers. I am a woman of God, with a message of "Healing and Deliverance, coupled with compassion for men, women and children.

Eleven years ago, I had an open vision. I was at my Mom's house and the wall in front of me where I was sitting disappeared, the sky appeared and I saw a courtroom bench that was large and seemed to cover a span of a few miles. I heard God's voice and **HE** said to point people to Him. No matter that they are wrong or right, because He has the final say about everything. He is the Judge of all.

He also called me to Prophetic Ministry, and to name it **PRAYER COURT MINISTRIES**. Brother Mel gave me his Warfare Arsenal prayer and told me to pray it daily. He also gave me his After Ministry prayer. I like that he said, "Sister, you need to be suited up and booted up. God Bless.
