

Beloved friends in **CHRIST**, it is my prayer during this difficult time in the world because of the Coronavirus, that you would increase your **REJOICING** in the **LORD** (Phil. 4:4). Yes, these are challenging days where trial, troubles & tribulations are striking people all over the world.

September & October were extremely busy as were the last 4 months. **GOD** opened up ministry worldwide! Skid Row is still closed down. Chaplain Brother Lori Goodgame said that Pelican Bay will be closed all year.

I've done 174 Omegaman.com, 2-hour shows on Skype. Bro. Shannan Davis is an anointed & blessed host. My weekly show, "Stick With Jesus," has been a great time of ministry. I did 8 shows, which are heard on "Truth Be Told Radio Network," that is on every Wednesday, 7pm Eastern & 4pm Pacific time.

My Bible study at Gloria Muscarello's home averaged 21 people in 4 two-hour studies. Also did 2 on Skype for Kevin & Barbara Gallagher in New Jersey. Meri Crowley had me on her TV show, she is a mighty Woman of God.

I was blessed to perform the marriage ceremony for Miroslav & Grace Simic, my dear friends. Miroslav is a fellow Serbian. Many of you know that my Serbian given name is Milan Mrdjenovich.

From September 9th to the 17th, I was in Oregon with daughter Lea, & Jeremy, grandchildren Elijah, Ali Mae & Ryan. The man-made fires made the air hazardous. I did not leave the house until it was time to go home. We still had a great loving family time.

Elijah, who was diagnosed with Osteo Sarcoma cancer, had 2 surgeries for nodules in his lungs, and had a scan coming up. I anointed him with oil (James 5:14), laid hands on him (Mk. 16:18) & prayed. Lea & Ryan were in agreement on the prayer (Matt. 18:19). I also had people around the world praying. Elijah just turned 20. **PRAISE GOD**, the September 25th scan was clean. The aggressive tumor was gone & there were **NO** others (Matt. 15:13). **GOD** is a **GOD** of miracles. **THANK** you **ALL** who prayed.

Prayer invades the impossible! We rejoice & give **GOD** thanks & **PRAISE**. **PRAISE** is like a plow set to go deep into the soil of a believers heart & watered by the **LIVING WATER, JESUS CHRIST** offers (John 7:37) — the River of Life.

PRAISE ministers to our Spirit by releasing joy (Neh. 8:10). **PRAISE** ministers to the deepest part

of us, cleansing our mind (Phil. 2:5) & calming our emotions (Phil. 4:6, 7) while setting our will. **PRAISE** evicts the forces of darkness & dispels doubt.

While **I'M PRAISING** the **LORD**, I can call on **GOD** for things I don't yet see, like I did for Elijah, (Jer. 33:3). If I keep my eyes on **HIM** (II Cor. 5:7), **HE** will show me, (Ps. 32:8).

The **HOLY SPIRIT** helps me to see with a 2nd sight. To see with **LOVE**, the needs & hurts of others. Touch our eyes **LORD**; let us see **YOUR** power & awesome things **YOU** have that our eyes cannot yet see. People who see thru **YOUR** eyes **LORD** are on their way to **PRAYER, PRAISE, WORSHIP & VICTORY!**

I have been doing almost a daily ministry of praying & encouraging countless numbers going thru trials, troubles & tribulations. Trials show **HE** is our sufficiency, our **ALL** — **JESUS CHRIST +0**. Trials & brokenness show how approved we are when we go to the **LORD** (Matt. 11:28-30).

HE picks us up. **HE** heals us. **HE'S faithful** & above all, **HE LOVES** us (Jer. 31:13). Trials thru brokenness will build confidence & faith. Faith will come genuine & strong, like pure gold (Heb. 10:23, 35, 36). **ALL** who are **SAVED** by **GRACE** thru **FAITH** (Eph. 2:8) have, by **JESUS'** finished work on the Cross of Calvary, what I call, "The Blessed 6" — **ACCEPTANCE, ASSURANCE, AVAILABILITY, ADEQUACY, ABUNDANCE** & the **ABIDING VINE** — **JESUS CHRIST**, our soon coming **LORD** of **LORDS** & **KING** of **KINGS** (Rev. 19:16).

I hung on to the **LORD** & these promises when I had prostate cancer, 18 years ago. When the doctor said, "Mel, you have prostate cancer," I bowed my head & said, "**PRAISE** the **LORD**." The doctor looked at me & said, "Excuse me?"

I said, "I am not **PRAISING** the **LORD** for the cancer, **BUT** to **GOD** for the healing & deliverance to come." I never had chemo or radiation but did have "high intensive frequency ultrasound." My PSA rose to 34, & Dr D said that I was a "dead man walking." God healed me of prostate cancer. **PRAISE GOD**.

It has been 16 years from when I should have died of cancer. I was averaging 21 to 24 services a month & averaged 4,500 souls or 72,000 for those 16 years. God kept me alive for His purpose.

To you who blessed me with love offerings, I thank you & **PRAISE GOD**.

In **HIS** Majesty's Service,

Dear Friend,

TESTIMONY OF JANET — DELIVERED FROM THE OCCULT

Leaving Pennsylvania was a good choice, Glory to God! I was so deeply involved in the Occult. Arriving in Maine, I was greeted by my brother and family. I got a decent apartment overlooking a nice large lake. God was blessing me! Soon, I really started to fall back into things. I was lonely, I had just broken up with my ex-girlfriend; I had lived in a lesbian relationship for 11 years, She left and ended up with one of my brothers. I have since forgiven them both, in the name of Jesus.

The loneliness, depression and boredom was intense. I was not able to work because of some physical conditions, which became a nice recipe for satan, who only comes to steal, kill, and destroy us. I got involved with a chat service and spoke to some satanists. I got myself involved in the black arts, along with the witchcraft and vampirism. My faith in God was being destroyed as I got deeper into these dark things. I was becoming paranoid and afraid to leave my house. I was seeing and hearing demons. I was doing blood rituals, having demonic sex with people and demons. My heart was becoming hardened. My brother was coming over to my place trying to help me, talk to me about the Lord Jesus, but I was convinced that this is what I wanted. I tried to justify my actions with God's perfect love and ways. I thought that I was mad at God, and did not want a God that made me love him. But at the time I was blinded and deceived to believe satan's lies and deceit to kept me from God's Love and Truth.

My brother introduced me to a Christian woman who gave me a number to OmegamanRadio.com that could possibly help me. In the mean time, I continued my decent deeper into darkness but all the while I could feel my heavenly Father pulling me to Him and calling the Radio station. I called and spoke to Shannon Davis who prayed for me to receive through Jesus Christ some freedom from the darkness. There is power in His blood and can set the vilest sinner free!!! I could feel the instant anointing because the demons in me manifested instantly. The demons were very angry when exposed and evicted by Jesus Himself through this man of God, Shannon Davis, who had me download Mel Novak's Arsenal prayer. I faithfully pray this warfare prayer

I kept in touch with Shannon & I joined the morning ministry for prayer and deliverance. One night, I was on the Omegaman Radio station in a chat room and I met my husband to be. Scott Meyer was the man I starting speaking to and we prayed for each other. He would pray for me for hours each day on skype. He said that he would come across the country to meet me.

Five days later he arrived. I heard a knock on my door, the demons manifested and I was not able to open the door. Scott began reading the Bible and I was able to open the door. Scott began to pray by lifting his hands in praise and worship, taking back the land and putting an anointing and blessing on it. I began a 7 day fast with no food and water, & Scott was seeking the Lord and His will for direction in our lives. We eventually moved to Washington and that's where we were married. God brought Scott literally to my doorstep. I have since been set free from the occult. Scott and I are both serving our Lord and Savior Jesus Christ. P.T.L. for Shannon & Mel.
