

Beloved friend in **CHRIST**, it is my prayer that you would increase your **REJOICING** in the **LORD** (Phil. 4:4). Yes, these are challenging days where covid, trials, troubles & tribulations are very difficult & so, so many have been hit with calamities (Ps. 57:1).

That is why we need to spend **MORE** time in prayer, in **GOD'S** Word, praise, (I Thes. 5:18) and having your Whole Armor on **DAILY**. Everything in **JESUS** name, (Phil. 2:9; Eph. 1:20-23). **GOD** desires our intimate time with **HIM**. Go to **GOD** & pour out your soul to **HIS HOLY PRESENCE**.

March & April were very busy, as were the satanic attacks (Eph. 6:12). But the devil's time is short (Rev. 12:12). Satan, thru his seed, the antichrist wants to rule the world from the Temple Mount, but **GOD** has decreed in the context of the end of age, "Yet have I set **MY KING** upon **MY HOLY HILL OF ZION**" (Ps. 2:6). **PTL & AMEN!**

To the **SON**, the **FATHER** entreats, "Ask of **ME**, & I shall give **YOU** the heathen for **YOUR** inheritance & the uttermost parts of the earth for **YOUR** possession. You shall break them (nations) with a rod of iron. **YOU** shall dash them in pieces like a potter's vessel" (Ps. 2:8, 9).

And to the world **HE** invites: Be wise now therefore, O you kings: Be instructed you judges of the earth. Serve the **LORD** with fear & rejoice with trembling. Kiss the Son, lest **HE** be angry, & you perish from the way, when **HIS** wrath be kindled but a little. Blessed are **ALL** that put their trust in **HIM** (Ps. 2:10-12).

As one who has **JESUS CHRIST** in their heart as **LORD & SAVIOR**, satan has **NO** authority or power. We cannot be defeated because of **JESUS CHRIST**. Yes, we are in a war, (II Cor. 10:3), so be sure to pray your Whole Armor of **GOD DAILY** (Eph. 6:11-17). Download: [www.melnovak.com](http://www.melnovak.com)

We are **ALL** called to serve, (Matt. 20:28 & Mark 10:45) especially during these dark days. I received countless calls for prayer & counseling. So many who said, "Mel, I'm stuck in this deep valley." I encouraged them by saying, "Valleys are the only way to **HIGHER GROUND**, to **TRUST** the **LORD** who **LEADS** us thru each valley, no matter how deep or long (Heb. 13:5 & Matt. 28:20).

I did four 2-hour shows that go all over the world on Omegamanradio.com. I have done 190 shows which all have a salvation prayer at the end. Shannon Ray Davis is a powerful host. All the shows can be heard on YouTube.

I was only able to do 2 "Stick With **JESUS**" shows. My laptop crashed, got a new one, then the program to send to Kevin Gallagher's "Truth Be

Told Radio Network" crashed & disappeared. Yes, there are computer demons.

Spent 10 days at Lea & families in Oregon. It is always a blessing to be with family. Thanks for your prayers for Elijah, my brother Robert & nephew Daniel. Cancer is an evil attack on a body. I was a guest speaker at The River Church in Vancouver, WA, for anointed Pastor Joshua Alvarez. Pastor & all the church pray for my family & me. Pastor Joshua has had me minister there many times over the years. Such a blessing.

Elena Berman filmed me on her Podcast show on "Destructive Emotions." It was an important & powerful show. The devil likes to keep people in the past to torment them. The mind is his playground. Isa. 43:18 says, "Remember not the former things, nor consider the things of old — behold, I will do a new thing."

Anxiety, worry (Phil. 4:6), fretting (Ps. 37:8), stress & tension are eating up too many & setting them up for a free fall. Get suited up & booted up with the Armor of God...**DAILY!!!**

My 2-hour Bible Studies (4) were well attended & received. It's always a great time in the Word. Andrew Ramos brings music.

Had a guest interview at KKLA with Prophetess Susan Dumas. Mighty man of God Pastor Gerald Jones of "Jesus is Our Jubilee Ministries had me as a guest for 2 shows Cross T.V. that is heard all over the world.

It is **ALWAYS** good to encourage others with **GOD'S WORD** & promises. (II Cor. 1:20). In Psalm 34:19, every Christian is told, "Many are the afflictions of the **RIGHTEOUS**, but **GOD** delivers us out of them **ALL**. **BUT IT DOESN'T SAY WHEN!**

I cautioned one brother struggling not to "nurse, curse or rehearse what you are going thru — **GOD** will reverse it." As long as satan is in the world, (II Cor. 4:4) there will be times where there are mountains, valleys, deserts, storms & Goliaths in our lives. The **LORD** says, "I will be with you. Believe, trust, & I will be established — I am in control & **NOTHING** is impossible for **ME** (Luke 1:37).

In short term attacks & oppressions, we are tempted to get in the flesh. **TRUST HIM!** (Nahum 1:7). Walking without faith during difficult times stirs up the mind attacks. For every "I can't," **GOD** says "I will!!!"

Until next month, **GOD** bless you & to you who sent love offerings, a 100-fold return.

### TESTIMONY OF MILTON

In 1951, I was born in NYC to Spanish Puerto Rican parents. My parents were involved in Catholic Santerismo which is prevalent in places like the Caribbean, Brazil and Africa. From an early stage, I was a target for satan because of the bondage and open doors that my parents unwittingly opened in the spirit realm. At six months, I fell out of my crib landing about two inches from a spike on the radiator. My mother found me on the floor, cushioned by a blanket we had never seen before. At an early age, I possessed an extremely volatile nature. I was fascinated by gang warfare and I was always protected by these renegades. God always was watching out for me, but I always attributed this to luck. At 15 years old, I was recruited to be a runner for the numbers betting and also to be an enforcer for those who would not pay to the mob. I felt so important and feared from those around me that I felt untouchable. During this epoch, I was arrested by the police. As they handcuffed me to take me to the precinct, two CIA agents appeared and asked officers to turn me over to them. They then questioned me and asked if I would join them to be a spy in Cuban affairs. I was totally baffled by this. In the same time period, the mob was going to fly me to Italy to bring a niece back. They were going pay me a huge amount of money to marry her so she get American citizenship. The mistake I made was to tell my father. He knew that they would eliminate me. Within one week, he quit his postal job to be transferred to Puerto Rico and save my life.

Off we go to San Juan, which I hated, and eventually ran back to NYC. I was arrested again on major felony charges and sent to Rikers Island and the Tombs in Manhattan. I was finally released to go back home and be arraigned when I finished high school. I was in an Army base school in San Juan called Antilles in Fort Buchanan. When my SATs came back, I was in the top ten in the nation. I was offered scholarships to major Ivy League schools on the East Coast which I had to decline because I was facing prison time upon my return to NYC. God had a plan. I was drafted to go to Viet Nam but ended up in Korea as a drug specialist and they dropped all charges against me. Here I started my black market work and controlled urinalysis testing for the Far East which was lucrative in changing results for cash. In 1974, I was discharged and became merchant marine. I went from seaman to getting a Captain's license. I smuggled to 60 nations. I continued this lifestyle for many years escaping ten major assassination attempts including one where 12 bullets from 20 feet away miraculously bounced off me. I was stabbed in NYC, with a bayonet which did not penetrate and ambushed in Colombia with six machetes.

In 1986, I had the greatest encounter with a God, I did not know, who protected me in all these encounters. In Fort Lauderdale at the School of Marine Engineering and Navigation, I decided to commit suicide. The Evangelist, Nicky Cruz spoke my life story as I changed the channels 84 times. God will get your attention, and I gave my life to Jesus, whom I did not like and previously told people to not mention. I immediately ran to the beaches to tell everybody about what Jesus did for me. That was 31 years ago. I now smuggle Bibles and tracts to around 85 nations. If it wasn't for the love of God (Jer.31:3), I would have been in hell for an eternity. Today, you too can have a life changing experience to meet Jesus and be forever with Him in Heaven. Make Him the hero of your life. You can see many of our testimony programs on YouTube with the latest one, Captain Milton Alvarez, My Story. Ask Jesus into your life now, Rom. 10:8-10. Keep us in your prayers.
