

Grace and Peace to you from **GOD** our **FATHER**, and our **LORD AND SAVIOR, JESUS CHRIST** who is preparing a home for every child of **HIS** in Glory. These are dark days and getting darker, and no matter what adversities are in your life (Psalms 34:19) we can say "It is Well with my Soul!"

My Brother Robert went home with the **LORD**...my heart went with him. Though he doesn't have pain now, nor cancer, and he is reunited with our parents and loved ones in Heaven, I miss him so much. He was an incredible man and brother, a loving humble man of **FAITH!** A devoted husband and father of six. We were so close and talked every day. My blessing will to be with him eternally. Eternal security is the work of **GOD** in which **HE** guarantees that **HIS** gift of salvation, once received by faith in **CHRIST**, is possessed forever and can never be lost.

September-October continued to be very busy. Skid Row services are still shut down. I talked to a dear friend Chaplain Lou Goodgame that I ministered with in Pelican Bay Penitentiary for twelve years. He said there will be no services until sometime in 2022.

Covid and the devil shut those ministries, but **GOD** opened up the worldwide ministry which I've been doing for two years now. I never dreamed that a Serbian kid from Wall, Pennsylvania would be heard all over the world. Also, never dreamed that I would have done, in His strength, some 10,000 to 11,000 services behind enemy lines winning over 450,000 to 500,000 souls to the **LORD**. Of course, the Holy Spirit brought them into the Kingdom (John 6:44).

Again, Omegamanradio.com 2-hour shows were well received. Many letters that were written or texts sent are blessed by **GOD'S** encouraging **WORD**. Brother Shannon Ray Davis, the anointed host, has blessed me to do 214 shows that go to 167 countries.

I did a three-hour zoom show for Lynbow Palm, who has a group that **PRAY** for many... a great ministry. I'm behind on my "Stick With Jesus" shows for Truth be Told Radio Network. Spent twelve days with Lea and family, then went to Pittsburg, PA for my brother's funeral.

My Bible Studies, every other Monday, average 21 who attend. There were many calls for prayer and counseling, a daily part of my ministry. So many are wounded but **JESUS** is the **HEALER**.

I was a guest of a wonderful host, Dr. Angela S. Williamson, PhD on KLCS & www.klcs.org.

Attended an awesome Black Tie event for Trish Stelle's 70th Birthday. Trish has an incredible ministry for abused and broken woman called "Safe Passage."

I received a letter from a precious sister that I led to the **LORD** in a Women's Prison. She wrote, "As I sit here today, in my little prison cell, I am able to experience conscious, unbroken, everlasting fellowship. Mel, I'm secure in the knowledge that I shall **NEVER** be separated from **JESUS**, that this incredible gift from **GOD** is **HIS WILL** for me. It doesn't matter what else is going on in the world around me, Yes, we face trials and tribulations every day, but if we have eternal life, we have everything that really counts. Thank you and Lord bless you Mel."

Her letter touched my heart. Over the many years of prison ministry, I have a large trash bag full of letters like this. I've been asked many times why I ministered in prisons and Skid Row for over 39 years. It is my calling (Matt 20:28, Mark 10:45), my purpose, my appointment with destiny.

There are 5 requirements to our destiny

1. Be willing to sacrifice our identity...
2. That we are only an instrument (John 15:5)...
3. If exultation comes, always give God the **HONOR, WORSHIP** and **GLORY**...
4. Devotion to **GOD'S** purposes and will...
5. We must be willing to take a **RISK** (Phil 4:13)...

Psalms 139:13-16 is a meeting with destiny and verse 17 says He is thinking about you right now. **GOD** is in **CONTROL** of every believer's life, and has a plan and purpose for you (Jer. 29:11-13).

May God abundantly bless you (III John 2). To you who sent love offerings, a 100-fold return.

TESTIMONY OF SAMUEL

All praise glory and honor to God who sent His son Jesus Christ to save me from all of my sins and who has left us His Holy spirit to comfort us and to lead and guide us into all truth. I relay my testimony not to focus on the some of the negative past history, I would rather take Paul the Apostles advice and think only about the things that are lovely and of a good report. I tell part of my story to only relay of the saving, healing, mercy and Grace of Jesus Christ, the true Messiah, the only Savior of the world, especially to all who believe in Him and call on the most powerful name in all the world. Jesus is the Messiah, the anointed Son of God, who suffered and died with us in mind, leaving those who believe the finished victory over sin, death and this life.

Teach the Very Young

My very first memory was in stretching my baby head upward and attempting to look in the face of one of the deacons in the church. He was a tall, well-dressed man wearing a hat that matched his grey suit. I found out years later that he had actually build that church with his bare hands. His fine wood work would amaze me years after he had died. My parents would put a dollar or even a nickel in my hand during the offering part of the church service. Perhaps at first one of my parents had to pry it out of my baby hand in order for me to put in the offering basket but I finally learned the honor of giving which is as integral as praise, worship and Bible study to a servant of the Most High Christ our Lord. Giving at least 10 percent of the money God has given you is mentioned in the Bible but most importantly giving to the body of Christ is a statement to God declaring your trust in him regarding your money which in truth is really his money borrowed by you for the relatively short time you are on this earth.

You can trust God but can God trust you?

Giving to the work of God says to God that your trust Him to provide for you. In His word, He promised that when you give to his work He would open up the windows of heaven for you and pour our blessings that you will not have room to receive. In the King James Version of Malachi 3:10, it is one of the only times God tell us to test him on this. The times in my life that found myself financially secure and forgot that God was my source or I subconsciously decided to trust on my own nest egg and not to tithe at all, were the times that I ended up broke. The last time I went through an 8-month season of not tithing, I ended up homeless and on Los Angeles Skid Row.
